A quarterly publication of the
Inter-Racial and Religious Confidence Circle

Overview

The IRCCConnect is a newsletter publication about inter-race/faith harmony events in Singapore, spearheaded by IRCC leaders from the Newsletter Editorial Committee.

Since its launch by Minister Lawrence Wong at the IRCC Family Day on 19 January 2013, the IRCC newsletter was renamed as “IRCCConnect” in July 2014 after a nation-wide naming competition. It is currently distributed to IRCC members and stakeholders, 184 secondary schools, junior colleges and institutes of higher learning, IRCC events, as well as the National Day Parade National Education (NE) shows in 2013 and 2014.

IRCC Editorial Committee is made up of our IRCC members, who are from different community or religious organisations. Chaired by Ms Leo Kwang Lin (Woodlands IRCC), this spirited group of volunteers meets regularly to explore ideas, features, and articles to bring forward to its readers. Since its inception in 2013, the committee has grown from 7 to 14 members.
